Gnome trail

In the heart of the Roggebotsebos lies a fairy tale hidden.

With red cheeks and a gnome hat, you will experience a fairy tale adventure together on the magical gnome path of Dronten.

There are real gnomes living in the Roggebotzand forest, the ranger knows that for sure. Every morning he greets them in a friendly manner, while the gnomes are busy. Look around you: there are tiny footprints in the sand, there are traces of a wheelbarrow and sometimes, if you're lucky, you'll even discover their sweet animal friends.

Follow the gnome path and enter a world full of wonder. Maybe you'll see the gnomes waving between the trees!

Register at the restaurant and receive your gnome bag full of surprises for a fee.
